Say Municipalities

The Alberta Government will be asked to take no action on the City of Edmonton's request for annexation proceedings without first hearing from all Municipal Governments concerned in the area. The Government also will be asked not to set up any intergovernmental committee to consider any annexation proposal without such prior consultation.

The decision to make these representations to the Minister of Municipal Affairs and to the Provincial Cabinet was reached at a meeting of Reeves, Mayors and Councillors of the Municipalities adjoining Edmonton which would be affected by annexation proceedings. The meeting was called by Reeve M. R. Parker of the County of Strathcona. Attending were twenty-seven representatives from the County, the Municipal District of Sturgeon, the Municipal District of Stony Plain, the Town of St. Albert, the Town of Fort Saskatchewan and the County Councillor representing Sherwood Park.

Unanimous agreement was given to have a resolution stressing these points presented to the Provincial Government by solicitor, A. M. Brownlee. The motion was presented by Mayor Richard Fowler of St. Albert, seconded by Reeve Rudolf Zander of the M.D. of Stony Plain. The meeting also approved a motion by Reeve Stanley Walker of the M.D. of Sturgeon to form a committee composed of one representative of each Municipality concerned to consider action to be taken to oppose any blanket "take-over" proposals by the City of Edmonton.

Mr. Brownlee, in summarizing the situation, noted there is concern at Edmonton's unilateral approach to

the Government, seeking a sweeping annexation to increase its area to more than 300 square miles.

"We are told the City asked the Cabinet to take the matter out of the hands of the Local Authorities Board because there are political issues involved which should not be considered by an administrative board," said Mr. Brownlee.

At present, by statute, he said, amalgamations and annexations are under the jurisdiction of the Local Authorities Board. This board would invite all interested

Joint Meeting Discusses Junior College

Trustees of the St. Albert Public and Separate School Districts met in the office of the latter district on May 29 to discuss a number of matters of mutual concern. Considerable attention was given to the feasibility and desirability for a junior or community college in this area. The present situation is very unclear because of the proposals for amalgamation of St. Albert with Edmonton and the lack of definite information from the provincial government on regulations which such institutions must follow and

the grants which will be available for capital and operating expenses. It was decided that the next meeting of the Education Coordinating Committee to be held on September 25th and open to the public, will be devoted to the matter of a junior or community college. Dr. G. L. Mowat, chairman of the Board of Post-Secondary Education will be asked to attend and address the meeting.

Another matter which the committee discussed was the operation of the Public School District's opportunity room.

Cadets praised at Inspection

Reviewing Officer Major Snell had warm praise for St. Albert Royal Canadian Air Cadets Squadron No. 533 speaking at the annual inspection and review last Thursday evening. "The inspection is one of the best I've seen", said the major and commended the boys for their near perfect attendance record.

Mr. Doug Johnstone, representing the Air Cadet

League of Canada, complimented the squadron in general for their appearance and had special praise for the band. He also congratulated them for their effort in selling the most tickets in the Hawaiian Air Cadet ticket sale this year.

Commanding Officer Roy Hart was attending his 11th consecutive annual inspection and is serving in his

Grant MacEwan will open Rodeo

Rodeo 107, June 14, 15 and 16th commemorating St. Albert's 107th birthday, will be officially opened by the Hon. J. W. Grant MacEwan, Alberta's Lieutenant Governor. Dr. MacEwan will be on hand Friday evening to kick off 'Rodeo 107' and all indications point to St. Albert's biggest and most successful

rodeo so far.

June 10th thru 16th will be declared rodeo week in St. Albert by Mayor Richard Fowler in a proclamation to be read Monday afternoon June 10th. The occasion will be marked by a tree-planting ceremony by the Hon. Grant MacEwan following the proclamation.

From the very start, Rodeo 107 promises thrills for the entire family. A larger midway than ever before with fun, games and food for the taking and something new - a top teen band right on the midway, playing all the latest rock n'roll hits. For the folks that like country and western music, the very best available comes to you at the community hall both Friday and Saturday evenings, beginning at 9:00 p.m. The rodeo grounds close each evening following a colorful fireworks display.

Start planning for Rodeo 107 now by inviting your friends to join in the festivities and fun in St. Albert Friday evening, Saturday and Sunday, June 14, 15 and 16.

See you at 'Rodeo 107'.

Sister Superior Leaving Youville

Sister Gilberte Tetrault stands on the balcony of the Youville Home, overlooking the town she has come to love during her six year stay here.

Sister Gilberte Tetrault, Superior Administrator of the Youville Home, is leaving June 14. Sister Tetrault is returning to St. Boniface, Manitoba, where she made her religious profession with the Grey Nuns in August 1930.

Sister Tetrault, who was born in Sherrington, Quebec, was superior administrator at Ste. Rose du Lac Manitoba for six years and held the same responsibilities at Tache Hospital in Manitoba, an auxiliary hospital of 400 beds, for six years, also.

When Sister Tetrault came to St. Albert in 1962 as superior administrator of the old Youville Home, she immediately commenced work on the plans for the new Home. Sister had not only to plan and build, but she also had to organize for the demolition of the old brick building, which, be-

cause of poor foundations, could not be preserved nor remodelled.

The patients were transferred to the new Home on Jan. 8, 1966. After more than two years now, the Home has functioned very efficiently under Sister Tetrault's guidance and care. "St. Albert is very beautiful," said Sister Tetrault. "I am not leaving because I don't love it here." But, she said simply, "I go where I'm needed most."

The staff of the Youville Home, its 162 patients and, indeed, every resident of St. Albert and district who has had the privilege of getting to know Sister Tetrault during her six year stay here, will miss her and will often recall pleasant memories of her, for she was kind and devoted in so many ways.

Fire Report

St. Albert firemen answered 44 calls during May, none of them resulting in serious damage. Twenty five of the calls were needless grass fires caused by children with matches and firecrackers. Ten calls came from the municipal district who have a fire fighting unit stationed

here and one was for an old house in Mission Park. One car fire caused minor damage, one call was to hose gasoline off the highway within the town following a car accident across from Pacific 66 station. There were five brush fires and one false alarm.

533 Squadron Royal Canadian Air Cadets line up for inspection and review on the courts at Sir Alexander Mackenzie School, May 30. Band section does not show drum major Cpl. Terry Kennedy who was

out front, Major Titus and reviewing personnel are proceeding at back of the band section.

Gazette Photo.

Guide Camp Site officially opened

Keith Everitt, M.L.A. for St. Albert is assisted by Ruby Khullar of Morinville at the ribbon cutting ceremony at the opening of "Camp Mio-we-ko-win".

"Mio-we-ko-win" is the name chosen for the 20 acre Girl Guide Camp-site, officially opened Saturday, June 1 by Mr. Keith Everitt, M.L.A. for St. Albert. The Cree name, meaning "Friendly Place" was suggested by the Morinville Guide Company. Girl Guides from Winterburn, Morinville and St. Albert gathered at the camp

Saturday for a large rally, the first function held at the site. Unfortunately the Guide Company from the Alexander Indian Reserve were unable to attend.

The camp is located two miles east of St. Albert on the golf course road. Surveying the scenic, wooded area, Division Commissioner Mrs. P. Sandomirsky said

the Guides were "very lucky to have it". The Guides have been given a one year lease on the land by the provincial government. Because of this short term lease the Guides don't feel they can, at this time, consider any large scale development.

Mr. Everitt, in his remarks, said he would investigate the possibility of obtaining a long-term lease from the provincial government.

Students to help poor Communities

A group of students from St. Albert High School will devote two weeks of their summer vacation to working in some of the poorer Indian settlements in northern B.C. and Saskatchewan.

The boys and girls are members of the "Youth Apostolates" formed under the direction of Father U. Duch-

esneau, O.M.I. earlier this year. The group has taken a course designed to prepare them for their work in the underprivileged communities and they will be assisted by experienced counselors.

They receive no remuneration for their work and are presently raising funds

for transportation, room and board and such job expenses as may be necessary. Membership in the Youth Apostolates is entirely on a voluntary basis and provides the young people with a medium for actively serving others less fortunate.

Members of the community who would like to get behind these students may offer support and at the same time enjoy an evening of marvellous entertainment by attending the film "World Safari" at the St. Albert High School, June 13th. Ron Hayes color film on his trips to Africa, India and Alaska has enjoyed enthusiastic response in Vancouver, Winnipeg, Calgary and Edmonton.

Library

Presentations

The St. Albert Public Library has come a long way. Originally started as a reading club for members of the women's institute and their families in 1949 with a stock of 50 used books, and the club operated out of the Ted Atkinson home on St. Albert Road, Mrs. Atkinson used to haul books from the University and, when they'd all been read, return and exchange them for others. Her enthusiasm and hard work kept the project going.

This Saturday afternoon Mrs. Ted (Susie) Atkinson, who now makes her home in Lacombe, will be the guest of the W.I. at a ceremony at the St. Albert Library at which her photograph will be

Cont'd on Page 3

Around Town

Dieter Hartmetz, whose family lives at 25 Belmont Drive, has been awarded a Province of Alberta Graduate Scholarship, to do post graduate work at the University of Alberta. Mr. Hartmetz, who has been studying in Germany for the past year will return in late September.

St. Albert residents receiving degrees at the University of Alberta Spring Convocation are: David Leroy Greene, B.A.; Ian Henry Lamoureux, B.A.; Mary Patricia Theresa Lycy, B.A. Constance Ann Raboud, B.A. Claudette Jeanette deBruijn B.Sc.; Lois Elizabeth Klann B.A. in recreation administration; Rose Marie Fowler B.Sc. in Nursing; Joseph Allan Little, B.Ed.; Barbara Marion Munro, B.Ed.; Jeanne Albina Houle, Pharmacy.

Mrs. Henry Terrault of St. Albert won a bicycle as first prize at the Villeneuve annual picnic on June 2nd.

In exhibition games played this week the St. Albert Oilers ball club lost to Sandy Lake 5 - 3, and to Athabasca 4 - 0. They won over Fawcett team with a 4 - 0 score and Monday night defeated Paul Kane 9 - 8. First league games goes tonight versus Morinville.

Mr. Lachlin MacDonald is mourning the death of his brother, Allan Stephen MacDonald, who passed away May 26 in Tripoli, Libya, at the age of 25.

Mr. and Mrs. A. Stuart of Prince Albert are guests at the home of their son-in-law and daughter, Mr. and Mrs. L. Parry, 10 Geneva Crescent.

The 5th St. Albert Brownies, with leaders, Mrs. L. Parry, Mrs. Wm. Webber and Mrs. J. MacRory, were guests of Mayor R. S. Fowler at a Mock Council meeting, May 29th. During the two hour session the mayor showed the girls around the town hall and gave them some actual problems from old council files to work on.

Keith Everitt, M.L.A. for St. Albert, has been fighting brush fires around the Bon Accord area all week, joining scores of district men in an all-out effort.

Many of the Sisters at the Youville Home are wearing their stylish new costumes. Of a light, beige material, the new dress is calf length and features a modified head dress.

The St. Albert High School students union will present "World Safari", an exciting full length movie featuring some outstanding wild life scenes. Plan to take the whole family to see this fine movie, Thursday, June 13 at 8 p.m., at the school auditorium. Admission: \$1.25 for adults, 75 cents for students 16 and under.

Hear our case

CONTINUED FROM PAGE 1

to come forward, state their cases, submit briefs, and reply to opposing views. "The concept is that any matter of this importance must be dealt with in open hearings by an independent body," Mr. Brownlee said.

Now, he said, representatives of the municipalities "must go to the government and say 'Stop - don't decide on an intergovernmental committee until you have heard from all of us. So far you have heard only from the City.'"

Dr. Hu Harries, Economic Consultant, noted there is no accepted theory about the proper size for a city, or about the best form of government. The Edmonton-sponsored report, he said, reiterates many "principles" dating back to

the McNally report of the 1950's which are really not principles, but opinions.

"There is evidence to indicate the city's proposals would just get us into a mess," Dr. Harries said. "There are problems of inefficiency because of bigness, and you can't do away with problems by getting bigger ones."

Members attending the meeting from St. Albert and M.D. Sturgeon were: R. S. Fowler, Mayor, F. J. Lukay, J. deBruijn, J. J. Bakker, R. G. Wheatley, R. M. Gibson, J. M. Fleming, secretary-treasurer.

Stanley M. Walker, Reeve John W. Flynn, George Willson, L. K. Kluthe, Walter Van de Walle, Donald Bevington, Alphonse Nobert, secretary-treasurer.

Pre-School Orientation Program

June 19, 20, 21 and 24, 25, 1968
9:00 - 11:30 a.m. 1:30 - 2:45 p.m.

PLEASE NOTE: Our present grade one's will be dismissed for that week, and return to school on Friday afternoon, June 28, for their report cards.

Parents of children who will enter grade one in September, 1968 are requested to enrol their children in the District's Pre-School Orientation Program.

PLEASE NOTE: This is not a pre-registration program. Children who do not participate in the Orientation Program will not be excluded from entering grade one next fall. However, we urge all our beginners to attend.

SCHOOL BEGINNING AGES:

Children who are six years of age on or before December 31, 1968 will be admitted unconditionally. Parents are reminded however that they are not legally required to send their children to school before the age of seven. Children who will be six years old between January 1 and February 28, 1969 will be given an evaluation of their readiness for school. A final decision for admission to school for the fall term will

be made during or at the end of the orientation week and parents subsequently informed.

ATTENDANCE AREAS - GRADE ONE:

Grandin Park -	
SIMPSON ELEMENTARY	599-8626
50 'A' Grosvenor Boulevard	
Sturgeon Heights & Highway #2 -

On the Teen Scene

S.A.H.S.'s Barry McGillis placed third in the long jump in the provincial track meet held at Calgary last weekend.

Several S.A.H.S. students will be spending the summer at Indian settlements and under developed communities in northern B.C. and northern Alberta, under the Youth Apostolates program. The young people are in for a summer of hard work as they will be tackling just about every kind of job imaginable. The S.A.H.S. students union is sponsoring a showing of the movie "World Safari", proceeds of which will help get the Youth Apostolates to their destination.

It's strictly 'sock-it-to-me' time as the kids hit the books and prepare for the annual battle. Grade eleven and ten exams start June 12, departmentals a week later.

The students union of S.A.H.S. present "World Safari", a full length feature movie with many exciting and unusual wild life scenes, at the school auditorium, Thurs., June 13 at 8 p.m. Admission is \$1.25 for adults and just six bits for students 16 and under. Proceeds will go towards the transportation costs for the Youth Apostolates.

A panel consisting of students from S.A.H.S. and St. Mary's High will discuss the "Semester System", Friday noon at St. Albert High.

A large crowd attended Paul Kane's achievement day last Wednesday night. The evening featured a number of interesting displays, two French skits, entertainment by the Blew Phrogg and a fashion show. The Paul Kane gym was expertly decorated for the occasion, lighting was by John Sieben and Wally Wright. Susan McGee was fashion commentator. The Paul Kane students union would like to thank Mrs. Lien and everyone else who helped make the evening a success. Thank you to all the people who bought a flower.

Nominations closed Friday and campaigning is now underway for the June 5th Paul Kane student parliament elections. Running for the presidency are Daphne Hill, Rick Bauman and Larry deBruijn. The two candidates for social secretary are Elizabeth Bowen and Robert Coles. Nominated for secretary treasurer are Patty Nickerson and Stephen Harvath.

Paul Kane students wishing to actively participate in the student parliament and interested in serving as deputy speaker, are invited to get in touch with Chris Soder.

LIBRARY from Page 2

presented to the library board. All old friends of Mrs. Atkinson are invited to attend this presentation which will take place at 1:30 p.m.

Around Town

Plants, plants, plants. Everything from african violets to raspberries went on the block when the St. Albert W.I. auctioned off house and garden plants at their regular meeting, held May 28 at the home of Mrs. J. M. Venne. Lois Hole was the very capable auctioneer. Proceeds from the sale will go towards the beautification of the community hall grounds. W.I. members have been hard at work adding a bit of extra color to the grounds and all bedding plants are in now.

W.I. members are reminded that the regular monthly meeting will be held June 18 at the Rule farm. Weather permitting, a barbecue is planned. In case of bad weather the meeting will be held indoors at the Rule's.

Friends gathered at the home of Mrs. Kenneth H. MacRae, 18 Geneva Cres., to honor Mrs. J. Wagensveld at a baby shower. Jake and Liz Wagensveld two weeks ago became the proud parents of a lovely baby girl, Peggy Dorinda. Co-hostess with Mrs. MacRae were Mrs. T. J. Tankard and Mrs. Paul Shelemy.

The St. Albert Local Association of Brownies and Guides will hold an important meeting, Wednesday, June 12 at 8 p.m. in the Roman Catholic Parish Hall. Election of officers will take place, all mothers are urged to attend.

Crowd enjoys cycle race

Bill's Radio and TV sponsored a Criterium cycling event in St. Albert which may well have been a first experience for many of the interested local spectators who watched the exciting race from points along the route.

The RCMP co-operated with traffic arrangements on the one mile circuit, allowing the Northern Wheelers cycling club to schedule the race here. The starting point was on Sir Winston Churchill street near the Safeway sign and the racers did twenty laps on the circuit which led them up Grandin road to Grosvenor, onto Gresham Crescent and back.

Frank Ludtke of Victoria Club in Edmonton won the event with a time of one hour, two minutes, 55 seconds, followed closely by another well-known cyclist Paul Enock of Victoria with 1:6:10, and Karl Schneider (Vic) with 1:6:12. St. Albert's Peter McCaffery of Northern Wheelers placed fourth with 1:6:45 and Bob Hodges, unattached was fifth with 1:7:10.

Eugene V. Debs, Socialist candidate for President of the United States in 1904, 1908, 1912, and 1920, received nearly 1,000,000 votes in the 1920 election. He was in prison at the time.

Message

As I am about to leave St. Albert overlooking your beautiful town, on this calm evening, I would like to tell it's people how wonderful it was knowing you, working with so many of you and getting to love you.

It is my earnest and sincere wish that GOD bless all your endeavors and enterprises with success and happiness. May YOUVILLE HOME stand as a lasting monument not only to the architectural skill, but to the intensely personal interest our personnel has taken in the loyal fulfillment of their daily tasks. God bless you all abundantly.

Sister G. Tetrault,

Cadet Inspection

Cont'd from Page 1

tenth year as C.O. Mr. Hart is a member of the St. Albert Lions Club who sponsors the cadets.

For the boys the exciting part of the program was the presentation of the trophies. LAC W. Eschak was named Best A/I Round Cadet and received the Sabina Agency Trophy. Cpl. D. Kendel, named Cadet of the Year was awarded the St. Albert Lions Trophy, presented by Mr. Bill Webber. Sgt. R. Maine was presented with the Morinville Hardw are Trophy as best N.C.O. by Mr. Arthur Stapleton of Morinville. Cpl. D. Kane was named the top marksman receiving the Gore Mutual Trophy. LAC B. D. Clark as best First Year shot received the best Appliance Trophy.

In the band section three trophies were presented: LAC L. Tolman was named Outstanding Bandsman (drum section) and awarded the Morinville Lions trophy. LAC Forbes received the Alberta Trading trophy as an Outstanding Bandsman, (Trumpet). Cpl. T. Kennedy was named Most Valuable Bandsman and Scotty Munro presented him with the Munro trophy.

Perfect attendance awards went to ten cadets. Mr. Pat Paterson, Cadet Committee Chairman for the St. Albert Lions Club was in charge of arrangements for the inspection. Mr. Pat-

erson also serves on the Provincial Committee in Air Cadet work. Other Lions active in Cadet work include Rod Thordson, Gordon Townsend, Jim Gleason, Joe Vanhouck, Roy Gilie and Stan Shotlund. Russ Walte and Enko Udson work with the band, who have made great strides over the past two years. Gordon Martin is chief administrative officer, Marcel Bergevin is supply officer and he will take over as commanding officer in September when Mr. Hart retires after ten years.

Instructors are Gerry Ward and John Cooley, who train the cadets in airman-ship, using the Link trainer and model aircraft classes. They are also supervising the boys on a most interesting project, the building of a full scale two-seater aircraft. Mr. Ole Kendel is in charge of the rifle range.

All of these people give generously of their time and talents without remuneration and the squadron's fine showing at their inspection gives evidence of the good work being done.

Following the program, visiting officers and civilians were entertained by the Lions Club at the Community Hall. Numbers by the Lions Barbershop Quartette and a sing-song for all were enjoyed over light refreshments.

11:30.

St. Albert was fortunate in having cyclists of the calibre of Ludtke, Enock and Hodges here for the event. All three have represented Canada in the Olympics speed skating and Enock in both skating and cycling. Ludtke and Enock also were in the Pan-Am cycling races in Winnipeg. The afternoon (May 26th)

also featured a school boy's race of 4 laps on the same circuit, won by St. Albert's Mark Raven with a time of 18:20. Runners-up were Sandy Milroy 18:42 and Leon Hebert with 20:00. Bill's Radio and TV sponsored both events with prizes. Cycling which is an extremely popular sport in Western Europe is beginning to catch on in Canada, spearheaded in Alberta by a number of very fine riders who have come from the old country.

Louise Lamoureux is 16 years old and a student in commercial art at St. Joes. She has been taking voice and organ lessons for the past three or four years. Louise is sponsored by the Squirrelettes of Mary.

win the crown. In any event, it will be a pleasure to meet Linda, Priscilla, Claudette and Louise as they travel around the district.

A Famous Canadian Champion

Every sport has its champions and the sport of rodeo is no exception. Some of the finest cowboys are from our own province of Alberta and we thought it might be of interest to take a look at the fine array of Canadian champions for 1967 and who they are. A champion is the winner of the most money for the year in any one of the approved rodeos, as recorded in the Canadian Rodeo Cowboy Association championship standings.

The all-round champion is the highest honor a cowboy may receive and is awarded each year to the contestant who received the most points in the five major events, and who has placed at least three times in the Saddle Bronc riding, three times in the Calf Roping and three times in any of the three remaining major events; Bareback riding, Brahma Bull Riding and Steer Wrestling.

As the old rodeo adage goes "cowboys are born, not made", certainly holds true in the case of Kenny McLean.

Kenny joined the C.R.C.A. in 1959, and in his first year of professional rodeo competition, won the Canadian Saddle Bronc championship. He went on to win the same title in 1960 and 1961. To capture a championship and retain it, a cowboy must ever strive to perfect his skills. McLean certainly worked on his particular event - as he won the World Saddle Bronc championship in 1962. Although he has never dropped lower than

KENNY McLEAN

tenth spot since he first tackled a Saddle Bronc, Kenny reaped more than his share for 1967. To his credit is the all-around and high point championship, second spot in Saddle Bronc, Calf Roping and Steer Wrestling. A new Canadian record of most money won on the Canadian circuit \$11,952, was also set by McLean. He captured over \$1,000, at four Canadian rodeos in 1967. Kenny went on to the national finals taking 8th place in the Saddle Bronc event.

McLean has a classic style of riding, unique only to a champion, and is one of the very few who rides with a right hand rein. Kenny and his wife Joyce own and operate a ranch in a little town called Okanagan Falls, B.C., which is nestled in a valley surrounded by the beautiful Canadian Rockies.

The bagpipe may be the national instrument of Scotland, but the Scots don't have a monopoly on it. People in Ireland and in parts of France, India, and Spain play the bagpipe too, and a form of the bagpipe was played by the ancient Romans.

The pupils of Mrs. Shaver's class of St. Albert Parish kindergarten receiving diplomas presented to them by the Reverend Father Levangie at their closing exercises held on May 31. The children had their parents as guests for the occasion. Front row: (from left) Mary-Lou Lukay, Teressa Schuster, Monique Tellier, Carrie Cherkas, Michelle Shaver, Donna Burrell, Paul Dolphin, Wade Wakefield and Lianne Dubrule. Second row: (from left) Timothy Schrader, Dwayne Malone, Nancy Morris, Christine Melashko, Anne-Grete Larsen, Karen McQuitty, Lynn Smecher and Danny Lyndon. Back Row: Mrs. J. Shaver, teacher and Rev. Father Levangie.

Anglican Church News

Speaking at St. Matthew's the Reverend David Crawley identified the importance of the city, and other urban centres, as the places where the real decisions are made that so affect our lives. Mr. Crawley, the visiting preacher for last Sunday is a member of the Inner City Clergy team, an ecumenical grouping of clergy, concerned to work out a special ministry relevant to the concerns of the downtown life. Pointing out the changes which have made the local community less dominant as the centre of our lives, he went on to describe the governmental and business structures which shape the conditions of modern life and the difficulties experienced in applying the Christian social ethic at this level. It is chiefly in this area and in providing ministry appropriate to the needs of the downtown worker and shopper, rather than a ministry to the underprivileged, that the team concentrates its efforts.

PARISH OFFICIALS MEET WITH DIOCESE

Wardens and other congregational leaders are scheduled to meet with members of the Diocesan Planning Committee and the Chairman of the Finance Committee on Wednesday evening. Purpose of the meeting is to consider the problems facing the parish at this stage of its development in order to develop a policy suited to the needs.

CHILDREN VISIT CAMSHELL Sunday afternoon a cheque for thirty dollars was presented by Darien Page to a young patient at the Camsell Hospital. Accompanied by Susan Kevis, Neil St. Clair, Brian and Elizabeth Dawkins, and Cathy Adams (as representing the Sunday School) the children visited the nursing station to make the presentation on behalf of the school. They were received by staff and children of the ward who thanked them for the gift which is intended to provide children's pictures to brighten their rooms.

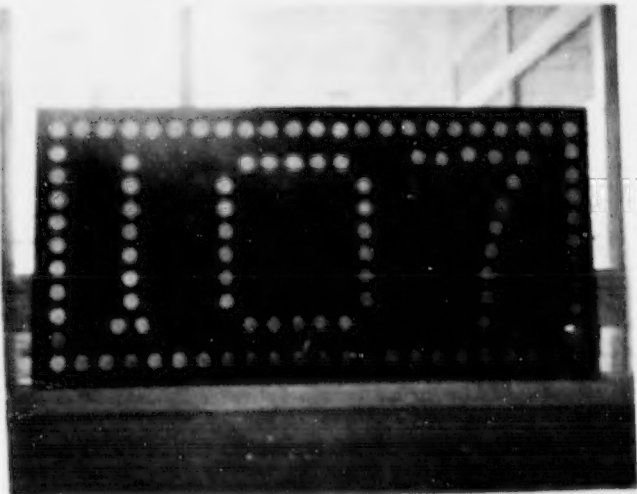

300 Compete in Father Jan Meet

Pictured here are the winners of the Track Meet held May 31st at Father Jan School: Front row, (left to right) Micheline Gaucher, James Fowler, Kathe Kamper, Robert Bergevin, Lauraine Audy. Middle Row: Brigitte Brust, Paulette Lafleur, Catherine Holden, Carol Jannaud, Donald Rice, Ronald Brainink. Back Row: Donna Wilson, Michael Jantsch, Norman Drouin, Tom Kehoe (perfect score), Chris Krupa, and John Koch. Missing is Cornelius Comandeur.

Friday, May 31st, was a banner day at Father Jan school when 300 students took part in the track meet. A number of parents assisted in running the many events and a Hot Dog stand proved a popular side attraction.

The students competed for the highest number of points in their age division in obstacle and foot races, high jump, broad jump, ball throws and other events and winners were photographed in a group at the end of the meet.

Here they are - neatly mounted: 107 silver dollars which St. Albert firemen will raffle in support of Little Canadian Ball and PeeWee Hockey in our community. The raffle is being held in conjunction with Rodeo celebrations and draw will be made at midnight on June 15. The firemen are supporting the rodeo by manning the lost and found booth at the grounds.

Cubs Stage Pirate Rally

Mission Park was invaded by Pirates Sunday afternoon as some 200 Cubs from the Landing Trail Boy Scout District staged a giant Pow-Wow, based on a Pirate theme. The swash-buckling youngsters had themselves a whale of an afternoon as they kept busy with a host of intriguing games such as

knife-throwing, ship tying up, grog and hard tack, boat beaching, swabbing the deck, walking the plank, rum barrel roll, climbing ropes, peg leg races, ship to shore, rigging climb and peg driving. Cubs and Leaders alike were all dressed up, Long John Silver style.

Recreation News

SWIMMING

There will be try-outs for the water polo teams at the pool on June 6 at 6 pm Boys between 12 and 19 years are invited to try out for the junior team and adults of 20 and over can try for the senior team. Anyone wishing to participate in this strenuous sport must have the Junior or Intermediate Red Cross Award. Both teams will be entering the City of Edmonton league and will also be playing in the provincials.

Two members of the pool staff, Steve Kovacs (assistant pool supervisor) and John Watt have extensive experience in water polo. Steve has played in two Canadian National Championships and John has played on the Quebec team for the past three years.

A swim club is getting organized this year for young people who are interested in competitive swimming. This will NOT be an instructional class and anyone wishing to join must be able to swim four lengths of the pool. Try-outs will be held on June 7 at 6 p.m. at the pool. Enquiries about the swim club should be addressed to the pool supervisor.

Parents who are interested in helping to get the club organized are asked to phone Mr. C. Paul at 599-8971.

MOTHERS - season tickets are still going through

the washing machines!

MEN'S SOCCER

The results of the game played on May 31 were Black pool 2 - St. Albert 5. Last Sunday's game ended with a score of St. Albert 1 - Wanderers 3. On June 9th the local team will play the Blue Angels at Paul Kane. Game time 2 p.m.

BASEBALL

Because of rain there are not many results to report. The results of the Lion's League games are: Twins 21 - Red Sox 17; White Sox 5 - Cardinals 13; Angels 19 - Orioles 3; Twins 12 - Angels 48; Orioles 28 - Red Sox 18; Red Sox 2 - Angels 18.

The present standings based on 23 games played are: Angels 18; White Sox 9; Orioles 8; Cardinals 6; Red Sox 3; Twins 2.

In the K of C's League the Pirates pitching staff showed great strength in last weeks play. An exhibition game was played in which the Braves of the K of C's League defeated the Angels of the Lion's League 21 - 14.

The present standings are: Pirates 10; Braves 17; Senators 12; Dodgers 8; Giants 4; Yankees 1. STURGEON FASTBALL LEAGUE

Three games were played this week. On May 29, St. Albert Texaco won over Calgary Power in a batters

game. The final score was 16 - 9. The Sunday game at Spruce Grove saw St. Albert Drive-In win their game with the local team by a score of 13 - 4. On Monday, Calahoo came to town with victory in mind and beat St. Albert Texaco by 10 - 2.

The surprising thing about these games that there are always more fans from out of town than from St. Albert even when the games are played right here. So St. Albertians, come down and boost the home team by giving a yell or a honk on the horn when they make a good play. Are we to let the smaller towns out-do us? Home games are usually played Monday and Wednesday on the Paul Kane diamond. Changes in this schedule will be advertised in this column ahead of time if possible.

HORSESHOES

Registrations are coming in from people who are interested in forming and playing in a horseshoe league. To register, phone the department of parks and recreation at 599-6601, and tell your friends to do so. Get ready for the horseshoe tournament on June 16.

A knit goods manufacturer from a Massachusetts firm recently told the U.S. tariff commission that a worker in a Hong Kong factory making knitted clothing averaged \$50. a month for 70 hours of work a week, while a worker on a similar job in New England makes \$2.50 an hour plus fringes.

Tennis Club to host "Dyde Cup"

Tennis Club President, Floyd Maybee presenting the High School Tennis Trophy to Roberta Parsons, who played an outstanding game in the mixed doubles which gave the St. Albert team the victory.

Winners of the first St. Albert High School tennis tournament, left to right: Jim Maloney, Phillip Parsons, Deanie Tucker, Danny Soprovich, Bernice Parsons, Roberta Parsons, Moira McLaughlin, Stella Creurer.

The St. Albert Tennis Club has been honoured with a request to host one of the major tennis events in the province this coming Sunday. The "Dyde Cup" match involves the ten best players from Calgary (4 men, 4 ladies and 2 juniors) versus Edmonton's best ten. The event is one of the most important of the tennis season in Alberta, second only to the provincial championships, and is usually held at one of the private clubs in the cities. It is hoped a good number of tennis fans will be watch-

ing the play. Matches begin about 12 p.m. and finish around 6:00 and there is no charge, so drop around Sunday afternoon if you would like to see some outstanding tennis.

After three hours of exciting, closely-fought play, St. Albert High chalked up the highest total points to win the high school trophy at the inaugural high school tennis tournament held at St. Albert courts Sunday. The tournament which is sponsored by the tennis club is planned to be an annual event.

St. Albert High won the

girl's singles, girl's doubles and mixed doubles events, while Paul Kane boys won the boy's singles and boy's doubles events. Scores were as follows: S.A.H.'s Bernice Parsons defeated Paul Kane's Margaret Laird 6-2 7-5 in girl's singles, Moira McLaughlin and Stella Creurer defeated Lynn Hopkins and Margaret Moar 6-1 7-5 in girl's doubles, Arman Kaupila of Paul Kane won over Jim Maloney 6-2, 7-5 in boy's singles, while Pat Kane and Lance West defeated Dennis Tucker and Denny Soprovich to win the boy's doubles, 2-6, 6-2 and 7-5.

Victory for either school then hinged on the last match of the day, the mixed doubles and quite a crowd gathered to watch the play and cheer on their favorite school. St. Albert High's mixed team of Phillip Parson and Roberta Parsons emerged the winners of the marathon match, defeating Stein Petersen and Elizabeth Bowen 6-3 and 9-7.

President Floyd Maybee was on hand to present the trophy (donated by the club) to St. Albert High School.

Jogging Anyone?

Oh, what a beautiful morning.....for jogging, that is! Three stalwarts from the St. Albert Joggers Club, Jan Maandag, Fred Page and Paul Shelemy as they come jogging down Grandora Crescent, at 6:45 Monday morning.

Bobby Kennedy does it, ten hale and hearty St. Albert men are doing it, and YOU can do it too! Do what... why, jog, of course.

Originally developed in the U.S., jogging is now widely recommended as the perfect exercise program for strengthening the heart and lung muscles. In a jogging program one runs as long as one can, then walks, runs again. Every morning, come rain, wind or weather, a group of ten St. Albert men jog around Grosvenor Park. Each comes at the time convenient to him and each progresses at his own speed. And, come to think of it, there's no reason women can't join too.

For information on how to become a jogger, contact Mrs. Laird at the town hall, 599-6601 or Mr. Jan Maandag, evenings at 599-3520. Come on, 10 laps around the park, everyone!

Newcomers Club

The monthly meeting of the St. Albert Newcomers Club was held on Wednesday May 15 at Labatt's Brewery. The ladies travelled to and from their destination by chartered bus.

Mrs. G. Taylor, public service assistant for Labatt's welcomed the group of fifty women. After a delicious smorgasbord dinner, a short and informative film on the brewing industry was shown.

Door prizes were won by M. Maandag, L. Ott, G. Greathead and G. Jeffries.

The guest speaker for the evening was Mrs. J. Kallal from the Constant Charm School. Mrs. Kallal entertained the ladies with her demonstration of the many ways to change the appearance of a basic dress through the addition of collars, cuffs, scarves, hats and jewellery. Her assistant for the evening was Mrs. W. Wilkinson of Edmonton.

The final meeting of the season will be held on June 5th at the Club Mocombo. All members are requested to be in attendance for the election of the new executive

Competitive Swimming Racing Tryouts

For a Competitive Swimming Team will be conducted

June 7 ST. ALBERT POOL at 6 p.m.

Swimmers interested, who can swim four lengths of the pool, are invited to register at the pool.

Those parents who would like to help organize the club please telephone Mr. C. Paul at **599-8971**

Home Meetings Prepare for Crusade

DR. LEIGHTON FORD

Dr. Leighton Ford will be conducting an Area-Wide Crusade in the Edmonton Gardens in just a few short months. He feels that this crusade is coming at a most crucial time in history, and that the opportunity for getting the Gospel of Jesus Christ to every person is unlimited. Recently Dr. Ford stated that: "The greatest need of the Church of Jesus Christ today is to catch fire!"

Preparations for the crusade are well underway. Hundreds of homes will be opened this week for the "Home Prayer Meetings". These are held in your neighborhood either on a Tuesday or a Thursday each week during the month of June. They will be highlighted with a radio message by Dr. Ford, and pertinent crusade news and prayer requests by Pastor Ray Olson of St. Albert Lutheran, prayer chairman of the crusade over CFCW at 10:20 a.m.

Mrs. George Stedelbauer of St. Albert, ladies prayer chairman for the crusade,

together with her contingent of 12 zone prayer captains have carried out an exceptional job in planning for and getting these 511 and more home prayer meetings underway. If you wish to know where the "Home Prayer Meeting" is in your neighborhood, please contact the crusade office by phoning 433-9547. Note that Mrs. Jean Hunt's address was given in error last week as 13 Garden, and should be 62 Grosvenor Blvd.

Youth, laymen, and pastors prayer groups have also been set up throughout Edmonton and areas. Thousands of teenagers will graduate from high school and university this month. The crusade seeks to do all possible to minister to our youth.

Another important part of the crusade is "Friendship Evangelism" where through Operation Andrew, chaired by Pastor Howie Olson of Edmonton, all are made to be aware of what needs to be done and can be done for the man next door.

The Fieldwork committee are having their "Laymen's Penetration Banquet" at the Kingsway Motor Hotel, in Edmonton, Monday evening June 10th. Please contact the crusade office and secure your ticket. Phone - 433-9547. The "Counselling and Follow-Up" committee, directed by Rev. Lindsay Vogan, are presently arranging training sessions for the Bible-Study group leaders at Camp Van-Eds slated for June 7-8. Here too is a wonderful opportunity to become an integral part of the Leighton Ford Crusade. A 1000-voice crusade choir is also being recruited by the choir.

Lutheran Church Elects Officers

Mr. Wayne Anderson, 5 Gillian Crescent was elected president of the St. Albert Evangelical Lutheran Church at a recent meeting of the new church council. Gordon Russell will serve as vice-president and treasurer; Ray Field as secretary and Doug Carlyle as

financial secretary.

Other members on the 13 man council are: Lowell Thronson, Armand Loshack, Bill Yont, James Roberts, Peter Damgaard, Harry Pedersen, Willard Pederson, Norman Ness, Karl Henneman and William Wahl. The council is divided into four working groups and each has their responsibility within the operation of the church. The groups are, property and management, deacons, education and youth, and worship. Others serving on these groups are, Horst Schlotke Otto Brovold, Terry Garvin Ron Wilhelm, Joe Durocher Mrs. R. Yont, Mrs. T. Garvin, Edwin Schmidt, Arnold Knutson and Peter Bowen.

The congregation is presently actively participating in the forth coming Leighton Ford Crusade. A crusade cabinet has been formed with in the congregation and is promoting and encouraging everyone to take part in spreading the word of the gospel through the Leighton Ford Crusade which will be held during the last two weeks of September in the Edmonton Gardens. Last Sunday was Crusade Sunday in St. Albert Lutheran with a film "The Impact" shown and a complete breakdown of what is happening and what will happen between now and the crusade.

Musical selections, coffee and fellowship rounded out the evening. Many members of other denominations in St. Albert also attended and took part.

Local Students N.A.I.T. Grads

The following St. Albert residents have graduated from the Northern Alberta Institute of Technology: Richard John Shaw, Chemical Research Technology; Larry Gregory Lindholm, Civil Technology; Cecilia Marie Vaugeols, Dental Laboratory Technology; Glenn Robert Jones, Drafting Technology; Brian Gordon Schellenberger, Electronic Technology; Sandra Barry, Medical X-Ray Technology; Paul Francis Brodeur, Millwork and Carpentry; Paul Miller Ragan, Business Administration, business management major; Wrennie Noel Ryley, Secretarial Technology.

Yes, pray for great things, and expect great things from God! A total life, and the depths of the Christian faith can only be experienced and realized through involvement! Let us be men and women and young people that dare to find out!

--Pastor Ray Olson, Crusade Prayer Chairman.

Lacombe Chapter reports on Convention

The delegates attending the 68th annual meeting and convention, Imperial Order Daughters of the Empire, held last week at the Chateau Lacombe, found it to be both an absorbing and challenging experience. While each chapter has its own favorite project, there are also a number of national projects to which all may contribute on a voluntary basis. The areas covered in conference included reports on bursaries, citizenship and immigration, services at home and abroad and education.

An interesting display was featured of practical yet attractive clothing made by members everywhere in quantity for distribution in Canada as well as for overseas shipment. This included beautiful afghans, blankets, quilts and layettes as well as some small hand made toys.

Father Lacombe Chapter delegates attending the evening dinners were Mrs. W. G. Kirkpatrick, Mrs. S. R. Lantinga, Mrs. H. Lastwika and Mrs. J. G. Brindle. They not only enjoyed the guest speakers but also the opportunity to learn more of and exchange ideas with fellow members from every province of Canada.

To cover the work of the I.O.D.E. in national, provin-

cial, municipal and primary chapter areas would be rather a large task. But a sincere invitation is extended from the Father Lacombe Chapter in St. Albert to anyone who would like more information to contact Mrs. Lantinga, the membership convener, at 599-6711 or Mrs. Lastwika, publicity officer, at 599-7573. Both these ladies would be delighted to chat with you, as would any other member.

Creative Schools Elect Board

The St. Albert Creative Schools Society held their annual meeting on May 13 at which time the following members were elected to the Board of Directors. At a meeting of the new Board of Directors held on May

21, the directors were given their duties: president - Mr. J. Tankard, vice-president - Mrs. B. Munro, treasurer - Mr. P. Garrick, secretary - Mrs. S. Martin, director - Mrs. J. Howell, director - Mr. C. Bruce.

ST. ALBERT PROTESTANT SEPARATE SCHOOL

DISTRICT NO. 6

Evening Classes

1968 - 69 Term

Plans are now being made for the offering of a variety of courses during the next school year in fields such as the following:

1. High School Courses to meet diploma and matriculation requirements
2. Business Education courses in typewriting, stenography and bookkeeping. These courses may be taken for high school credit or otherwise.
3. Short non-credit courses for proprietors and employees of small businesses.
4. Short (10-week) craft and hobby courses in fields such as ceramics, woodworking, small engines, ethnic and other specialized cooking, elementary and advanced sewing, first aid, creative writing (articles, short story, poetry), languages, and others.

It is hoped that the first-term program will begin during the last week in September and run to the last week in November. A second term is planned between Christmas and Easter.

Those interested are invited to attend a short meeting at Sir George Simpson Junior High School on Tuesday, June 11 at 7:45 p.m.

Bon Accord Brief not submitted by Board of Trade

The result of an error in a statement prepared for the Gazette May 1st issue, by the Sturgeon Local of the Alberta Teachers' Association has been a most unfortunate misunderstanding.

The ATA Statement was commenting a report published in the April 17th Gazette under the heading "Concern of parents expressed in Brief". This report was prepared by a group citizens of Bon Accord for presentation to the Sturgeon School Board, and a copy forwarded for publication in the Gazette. It nowhere said that the brief was prepared by the Bon Accord Board of Trade.

Yet the ATA Statement repeatedly referred to the "Brief submitted by the Bon Accord Board of Trade".

Since this an area of activity entirely outside the aims and purposes of the Board of Trade, the misunderstanding has caused the board of trade considerable embarrassment.

A number of Bon Accord citizens who were concerned about school affairs asked to be included on the agenda of a board of trade meeting in February to make their views known. It was the wish of local people at this meeting that a group be elected to follow up all school matters in question and report to the Sturgeon School Board. The board of trade chairman vacated the chair and the citizens then took over a portion of the meeting and elected a citizen's committee to take action as requested by local citizens. There were 85 people present. Among the seven people elected to the citizens committee were the mayor, board of trade president, town manager, a well-known district farmer and others.

It was the brief later prepared by this citizen's committee that the ATA statement repeatedly called a "Board of Trade Brief" in error.

The citizen's committee following five meetings and considerable time spent in interviewing district parents and ratepayers reported to the School board on a number of areas over which they felt concern. These included buildings use, retention of the Bon Accord High School and certain staff problems which they felt deserved consideration. All were reviewed in the brief and the feeling of the parents and ratepayers on these subjects made clear.

The Board of Trade of Bon Accord wishes it to be clearly understood that the brief on school matters was prepared by a group of citizens elected at a public meeting, at the request of local residents, and that the Board of Trade did not prepare or submit this brief.

Council handles heavy agenda

Morinville

The regular meeting of the town council of Morinville on May 14 kept the Mayor Stapleton and councillors Calder, Boddes, Champagne, Curtis, Oullette and Sale occupied for six long hours, from 8:15 to adjournment at 2:05 in the morning.

Council gave final reading to a by-law for purchase of four lots for the purpose of building a fire hall.

Mr. Raymond McDonald was hired as part time works supervisor at an hourly rate of \$3, per hour. Council had no objection to a request from K. Maslyk to operate a second hand store in con-

4-H Club Hosts Mothers

ALCOMDALE - On May 4 the Alcomdale 4-H Clothing Club held a formal Mother's Day Tea and Fashion Show. Sixteen mother's and grand-mother's attended. Mrs. W. Fulton and Mrs. J. Bailey poured tea for the evening. The girls modelled a wide selection of clothes, from bathing suits to pant suits to formal evening wear.

The commentators were: Violet Brenneis, first year member; Lubie Kostiw, second year; and Linda Whitson third year.

As a small token of appreciation, the girls presented the mothers and grand-mother's with potted plants.

Legal K of C Air Cadet Annual Banquet

The annual inspection is an exciting occasion for the young cadets, for it is then the trophy award winners are announced. This year's winners are shown with their trophies in the front row; David Prevost (left) won the best marksman; Denis Letourneau, best 1st year cadet; Georges Regimbald, named cadet of the year; Dennis Pelletier, best sportsman and Raymond Hills, best band member. Community supporters of the cadets, who provide the trophies are pictured in the back row with the large trophies which remain with the squadron: Real Auger (left) Mgr. Legal Co-operative; M. Prevost, President Legal Branch Royal Canadian Legion; Kevin Gleason of Northwestern Utilities; Rachelle Cyr of Le Mouvement des Femmes Chretiennes, and Romeo Boissonneault, Grand Knight of the Knights of Columbus.

Gazette Photo.

On Wednesday, May 29th, the Knights of Columbus sponsoring committee of Legal Air Cadets, under the chairmanship of Donald Cyr and Normand Letourneau as secretary treasurer, climaxed the year's activity with the annual inspection followed by a banquet at the Legal community hall.

The Legal Squadron #593 comprising 28 cadets marched passed reviewing officer Major Titus and then proceeded to the banquet. Here, the representative of the Legal Village council, Mr. Roland Prefontaine, welcomed the guests of the community. Mr. Romeo Boissonneault, Grand Knight of the Knights of Columbus, thanked the sponsoring com-

mittee for the fine work that was done during the year.

Mr. G. W. Prest congratulated the cadets and officers on behalf of the provincial civilian committee. A summary of the year's activities was given. Captain D. G. Murchie and reviewing officer Major Titus highlighted the evening with an outline of the many opportunities that are made available to the young men by the Air Cadet League of Canada.

The Knights of Columbus sponsoring committee wish to thank the squadron officers. They are: commanding officer, Captain Colleaux; supply officer, Lieutenant Derrien, and the civilian officers, Acting Adjutant

Rodney St. Martin and Chief Training Instructor, Robert Regimbald. Legal can indeed be proud of their very fine air cadet squadron.

Cadets receiving trophies were George Regimbald - best cadet of the year; Dennis Pelletier - best sportsman; Denis Letourneau - best 1st year cadet; Raymond Hills - best band member and David Prevost - best marksman. The trophies were donated by the following business firm or organizational group: Le Mouvement des Femmes Chretiennes, Northwestern Utilities, Royal Canadian Legion Br. 265, Legal Co-operative and Legal Knights of Columbus.

Pretty Girls launch campaign

From the point of view of the young men of the district, one of Legal's main attractions has got to be it's pretty girls! The group shown here are going to play an important part in the Village Festival, and one will be named Mille Fete au Village this year. From left are Connie Theberge, Lorraine Brisson, Brigitte Paquin, Mille Fete au Village 1967, Mrs. George (Pare) Vandenhousten, Judy Cormier and Shirley Woywitka.

The Legal Fete au Village Queen's contest was launched Friday evening in the Parc Citadelle Recreation Centre. The contest is to decide who will be Mille (Miss) Fete au Village to reign for one year as the Village Queen and preside at different functions.

Presiding over the whole event was Mademoiselle

Fete au Village 1967 Georgette (Pare) Vandenhousten.

Attending the banquet were the candidates, their managers, the parents, Mr. and Mrs. Gerard Tieulle head of the candidates committee (and NOT Mr. and Mrs. A. Massie as some were lead to believe), Father Ricard and Gazette photo-

grapher Danny Bonko.

These attractive young ladies will be busy making themselves known in the surrounding districts selling tickets. They are Lorraine Brisson, Judy Cormier, Brigitte Paquin, Connie Theberge and Shirley Woywitka.

A main street breakfast in frontier style kicks off the celebrations for Morinville Frontier Daze on Saturday morning, June 22nd. Pancakes with Sirop d'Erable (homemade syrup), bacon and coffee are on the menu and breakfast is served free from 7:30 - 9:30.

Tieulie - Garneau Wedding

Mr. and Mrs. Roger Tieulie as they leave the church, with Susan Garneau, flower girl and ring-bearer Bruce Coles, following their wedding on June 1st.

LEGAL - Before an altar banked with baskets of yellow and white carnations, a lovely double ring ceremony was solemnized on Saturday June 1, in Legal's St. Emile's

Church when Father Ricard united in holy matrimony Roger Tieulie, son of Mr. Jean Tieulie and the late Mrs. Tieulie, and Esther Garneau daughter of Mr. and Mrs. Henri Garneau all of Legal.

The charming bride entered at the arm of her father who gave her in marriage. She had chosen a floor length gown of lagoda, empire waist, with lace appliques accented with tiny pearl drops. Her long shoulder train was edged with scalloped french lace. Her french tulle veil was held in place by a white satin rose. She carried a bouquet of pink roses.

Bridesmaids, Susan Tieulie, Juliette Prefontaine and Marg DeBeurs wore identical pink floor length gowns of chiffon over taffeta with empire waist banded

with matching guipure lace. Their soft flowing chiffon capes were held in place by a band of guipure lace complimented with matching slippers. They carried cascades of white and pink roses with matching rosebuds tucked in their bouffante "coiffure". Tiny Susan Garneau was flower girl. She wore a pale blue dress identical to the bridesmaids, with a crystal tiara in her hair. She also carried a cascade of pink and white roses.

The groom's attendants were Raymond Garneau, Robert Ouellette and Richard Montpetit. The ring bearer was young Bruce Coles, nephew of the groom. The ushers were Jean Heller and Gerard Tieulie. The wedding music was played by Sister Corriveau and soloists were Leonard Forcarde and Mrs. Jeanne Maurier.

For her daughters wedding Mrs. Garneau chose a light blue two piece coat and dress ensemble, with white accessories complimented by a corsage of pink roses.

After the ceremony a banquet for some 175 guests was held at the Legal community centre with Norman Prefontaine as M.C. The toast to the bride was presented by Jean Heller.

The head table was centred with a three tiered wedding cake decorated with light pink roses on silver leaves topped with white doves.

A reception and wedding dance followed. After a honeymoon to Kelowna the happy couple will reside in Legal.

Red Cross Thank Bon Accord

The Bon Accord Cadets Squadron 524 and the Community Center have received an appreciative letter for their work and effort in sponsoring the Blood Donor Clinic in April. These two organizations hope that this letter, plus their own personal "thank you" will tell everyone how much their support was appreciated. They look forward to a bigger and better clinic next year. The letter reads as follows:

"The Canadian Red Cross Blood Transfusion Service wishes to extend its sincere thanks to the members of 524 Squadron and to the Bon Accord Community Center for jointly sponsoring the blood donor clinic held on April 3, 1968.

At your clinic there were 67 registered donors with four deferrals. We know that you would be disappointed in these results as you had anticipated more and hoped for a greater response. However, the outcome of these things are hard to control at times, and despite the fact that only 67 donors registered, we are still deeply indebted to them all. I am sure that there are many recipients of the blood collected that night who would wish to thank you personally if they only knew where it came from and who the donors were. May we thank you all on their behalf.

We would appreciate it if you would pass on our thanks to all the members of the Air Cadet Squadron who worked so hard on the clinic. We know that this came just about the time that they were writing examinations. It must have been very rough on some of them. Their efforts are deeply apprecia-

Indian Dancers will perform at Frontier Daze

A troupe of 30 Indian dancers from the Saddle Lake Indian Band will be a colorful and crowd-pleasing attraction at Sunday's Frontier Daze festivities in Morinville. They will be performing traditional dances of their band in their attractive native costumes on Main street prior to grounds opening that day, so make a note to catch this show.

Preparations in the food department are well underway and it would be worth visiting Frontier Daze for this part of the celebration alone! 200 French Meat Pies are already baked, under the direction of Chef George Lavallee. Holipchi has been made by Olga Cherdarchuk and the Ukrainian cooks have also planned five thousand pyrohy. Fleischi Rolla den Mlt Ziebel and Apse Kueken are two of the German delicacies being baked by Rose Rustiemier and her commi-

tee of ladies. And 3,000 pieces of chicken are being fried this week by Rita Charest and her cooks. No matter what your tastes, you'll find a favorite dish at Frontier Daze. Bet your mouth is watering just reading about it.

There has been a lot of

interest in the Slave Auction and already some of the slaves are being sized up, inspected for size, build and fitness for the jobs some prospective buyers and prospective buyers have in mind. Everything is strictly on the level for this auction and buyers and slaves will sign the following agreement:

SLAVE AUCTION AGREEMENTS

I, _____, do hereby agree to be sold by PUBLIC AUCTION during Morinville Frontier Daze - June 22nd, and June 23rd, 1968. I further agree to perform 8 hours of work for my purchaser, providing it does not conflict with my normal duties. If I fail to perform my duties within one year I agree to repay my overseer the full purchase price.

(SLAVE)

I, _____, having purchased the above SLAVE for \$ _____, hereby agree to the following conditions:

I WILL NOT FORCE MY SLAVE

- (a) To work at his own trade,
- (b) To do anything immoral or against the law,
- (c) To do something I would not personally want to do.

ALL DISAGREEMENTS shall be ruled on by the Frontier Daze Board, and I shall abide by their decision.

(OVERSEER)

Chalifoux campaign going strong

A high-light of the past week's campaign activities of Paul Chalifoux, youngest of Alberta's liberal candidates, who is running in the Pembina riding, was the visit of the Hon. Joe Greene, Minister of Agriculture. Paul introduced Mr. Greene to the very large crowd which gathered at a meeting in Westlock to hear him Friday afternoon.

Mr. Greene suffered a double mishap on his journey to Alberta. When trouble developed with the landing gear on his plane, arrangements were made for him to continue by car in Saskatchewan. The car in which he was riding was first on the scene at a train accident and Mr. Greene, together with a doctor in the same car, worked all night assisting the 26 victims injured in the accident. The double accident caused the Minister to miss the meeting arranged for Wetaskiwin Friday morning.

Mr. Chalifoux also spoke at four all-party election forums sponsored by the F.U.A., at Clyde, Athabasca, Elberton, Rochester, during the week. He attended Bonanza Day at Barrhead and canvassed in the Ottewell, Bon Accord and Gibbons areas. On Sunday he visited Holy Redeemer College and Providence Centre in Edmonton.

"Are you coming to Frontier Daze?" Miss Mecheline Bedard, a teacher at Thibault School in Morinville gives her class a simple message as a break in their heavy June schedule.

Beginners Week at Thibault

Children in the Thibault School District who will be six years old by December 31, 1968 are being invited to attend schools for one week from June 24 to June 27, 1968. The present grade one classes will remain home during this week to accommodate the beginners.

Parents of beginners, not as yet registered at the school are asked to stop at the school office, well in advance of June 24, to fill in the necessary forms. It is necessary that proof of age (birth certificate or baptismal certificate) be provided for each beginner.

Beginning pupils will be registered in grade 1 French Sr. Boisverts' or in grade 1 English, Sr. Victoors' room according to the wishes of parents and the spoken languages of the pupil.

During orientation week the pupils will carry on many programs and procedures designed to help them get a better start in their first school year. Parents of beginners will receive a booklet helping them to help their child adjust to school and to prepare them to understand more fully what is expected of a child in his first year.

Morinville Council

Cont'd from Page 1

nection with Carl's Fix-It and Bargain Centre. The retail outlet will handle small wares and periodicals.

Councillor Curtis was appointed Deputy Mayor for the next six months. By-law covering 5% discount on CURRENT taxes was given three readings and passed. Council approved an application for building permit for the M.D. of Sturgeon to erect a warehouse on block 4-plan V111A.

Bids from Alfred Kieser and Albert Shrum for the purchase of a building on lot 24 were reviewed and council moved to accept the bid of Mr. Shrum in the amount of \$200, with the understanding that the building be removed on or before July 1st, 1968.

A motion was passed that council take steps to cancel the lane in the center of block 4 and the portion of Ethier Street from Dubuc Ave., to Laurier Ave., and Laurier Ave. from Champlain Street to Ethier Street, and that lots 1-24 inclusive in block 4, plan V111A be consolidated into one parcel.

It was decided to hire the services of Stanley Assoc. Engineers to provide extra sewage treatment to comply with board of health regulations. Mr. G. Willey was requested to proceed with the installation of a venting system at the sewage lift station.

tem at the sewage lift station.

A letter from Gus Meinler requested sewer and water services, and signifying his willingness to have his property annexed to the town of Morinville. Council moved that a more formal and specific application be requested and that the requested services be provided upon the receipt of same.

Council considered a proposed transfer of land from J. M. Labonte, being used as a stock yard and abattoir to W. Labonte who owns an adjacent parcel, and uses it for a hog farm. The secretary was requested to inform the Edmonton Regional Planning Commission that council is of the opinion that, in view of the future plans for this area, it is not in the best interest of the town that this merger be carried out, as it would constitute an expansion of a hog ranch which in future plans will be non-conforming.

In Alberta and R.C. no delivery points now on less than five bushel quotas. Quotas effective May 20 are as follows: On three bushels, only 18, in Saskatchewan. On four bushels, 316 Sask. and 92 Manitoba. On five, in Alberta/R.C., 134 Sask. 494, Man. 177 and on six bushels, Alta./R.C. 385, Sask. 177, Man. 56.

Vimy Beef Club Tour

The Vimy 4-H Beef Club held its annual beef club tour and judging demonstration on Sunday the 26 May. The tour started at the home of Mr. Paul St. Arnaud where the members were asked to guess the weight of the three 4-H calves there. The tour ended at the home of Mr. Jos Kallal where there was a judging competition on four

steers. A weiner roast terminated the tour.

Mr. Kallal corrected the cards and Mr. Cholach, owner of the Thorild Auction Mart presented a show halter to the top senior, Maurice Parent. Mr. Kallal presented a prize to the runner up Bobby Dubois. Top pee-wee prize was won by Jackie St. Arnaud.

Villeneuve News

The Villeneuve annual picnic held June 2nd, was very successful, having had a wonderful attendance and blessed with good weather until evening. Everyone seemed to enjoy themselves.

The winners of the different ball games were as follows: Calahoo little girls; Villeneuve young ladies; Ardrossan boys, and the final game after supper between local men and Calahoo men was won by the visiting team Calahoo.

The raffle winners were 1st prize: a bicycle, Mrs. Clara (Henry) Terreault of St. Albert. 2nd prize: coffee serving set, by Mrs. Lorraine (Raymond) Kremer of Villeneuve.

We wish to thank all who came to make this picnic such a success; as well as the local ladies and men who worked so devotedly and having given much of their time to make this annual event a great success.

Father Volk returned from holiday in time to attend the picnic, and our former pastor Father Crough was also in attendance.

Lloyd Majeau is still a patient at Royal Alexandra Hospital, slowly improving.

C.W.I. delegates namely

... ..

Mr. Amidee Gagne is now employed at Edison.

Several boys from Holy Resurrection College gave a very good presentation of a "Folk Mass" Sunday at 10:30 a.m. special thanks to Mr. and Mrs. Leonard Blanchette, who drove the boys in from the city, and served them a delicious dinner.

Parish pastor, Rev. A. Desjardins attended a five day closed retreat at the Star of the North retreat house in St. Albert.

The grade five students enjoyed a day of relaxation at the Shrine Circus.

Mr. Jos Bilodeau is now employed at the main branch of the Edmonton Post Office Department.

Mr. Pete Horduzak's hay shed was destroyed by fire recently. Also destroyed was a manure spreader and quite a few bales of hay.

Sister Bossé spent a week visiting her sister and brother-in-law's home, Mr. and Mrs. Albert Blanchette.

Homemaker's Column

LIGHTING YOUR KITCHEN

From the number of requests I've had recently, many of you are planning a new home, or are remodelling your present home. Home building and remodelling is expensive, and will be lasting, so carefully thought-out plans and details will certainly be worthwhile.

Often, homemakers complain about the lighting in their kitchen — too much glare, working in your own shadow, not enough light.

To give you the best lighting, here are a few facts you'll want to consider.

- You need general lighting throughout the room, and local lighting in work areas (sink, stove, etc.)
- General Illumination - Use large ceiling panels or several smaller fixtures of low brightness.
- To eliminate glare, countertops and floors should have a satin finish, not a shiny surface.
- The shield or fixture should diffuse light evenly. A light colored ceiling also reflects light.
- A luminous ceiling is considerably better than a single fixture, but is also more expensive. It consists of a false ceiling made of diffusing material (plastic) with the lights mounted above it. This system could be used in your present home if you can afford to lower your ceiling about one foot.
- Recessed luminous panels can more easily be incorporated in a remodelling job. It is the same principle as the luminous ceiling. In order for this to be satisfactory, a light colored ceiling and reflected brightness from walls is necessary to reduce light contrasts and glare.
- The American Home Lighting Institute recommends 175-200 watts incandescent (batts) or 60-80 watts fluorescent for an average kitchen (100-150 sq. ft.)
- Local Lighting - Task areas require local lighting to overcome shadows and provide adequate light for the job.
- Countertops under wall cabinets require under-cabinet lighting. Fluorescent brackets fastened either to the wall or under the cabinets are most common.
- Local lighting is required over stove, sink and countertop. You will need a 20-watt fluorescent bracket for each 3-4 feet of counter. Be sure the light bulb or tube is not visible when standing or sitting. An opaque shield can be used, or the fixture could be behind a valance over the sink.
- Any pass-through areas or dining areas should also have local lighting. Lighting fixtures today are decorative and often hang from the ceiling over dining areas. Be sure the fixtures are properly placed to give light where it is required.

FLUORESCENT or INCANDESCENT

- For general illumination and under-cabinet lighting, fluorescent is recommended because of the low brightness, even light, and cool operating temperature. However, be sure to specify deluxe warm white. These are more flattering to our complexion, food and room colors than the cool fluorescent.

- Incandescent is recommended where you want accents and high brightness such as over work island and eating areas.

REMEMBER - Consider the reflection of light from surrounding surfaces. Will you be bothered by glare or dark-light contrast?

- A light colored ceiling will reflect light evenly.
- Non glossy surfaces will diffuse light and not give glare.
- In making these recommendations light colors and smooth surfaces were considered. If you are using darker colors or absorbent materials such as wood or wallpaper, you may require more lighting than is suggested.

Aside from lighting, the Electrical Service League of Alberta specifies a minimum of FIVE single appliance receptacles each on its own separate circuit. One of these receptacles is for the exclusive use of the refrigerator. An electric stove and dryer both require heavy duty circuits.

For lighting suggestions for other rooms in your home, and for assistance with home planning and remodelling, contact me at the Morinville office.

This will be the last newscolumn I will be writing as your District Home Economist. As of June 1st, I will become the Clothing and Textiles Specialist in Edmonton with the Department of Agriculture.

I have enjoyed working with you and know you will co-operate with the new Home Economist when she is appointed.

Until we meet again - the very best to all.

Wild Oat Control

Now is the time to be checking early sown fields for wild oat growth. Although moisture supply is poor throughout most of the municipality, this years summer fallow has enough moisture for a good growth of wild oats.

I would advise farmers who have used Avelox D.W. for wild oat control, on their summer fallow crops to check them for wild oat growth. I have had several reports from farmers in the municipal district that they have had no control with this chemical this year. This is caused by the dry conditions of the soil. There has to be moisture in the top two inches of soil for this chemical to work properly.

If you are planning to use carbyne for wild oat control, make sure that the majority

of the wild oats is in the two leaf stage. This can only be done by making a very close inspection of the field every day.

When spraying the field with carbyne for wild oat control, use at least five gallons of water per acre with not less than forty pounds sprayer pressure. The sprayer boom should be lowered to sixteen inches from the ground and the nozzles turned to spray at a forty five degree angle in the direction of travel.

Do not spray crop after fourteen days of emergence.

Wheat, barley, rapeseed, mustard and flax can be sprayed with carbyne. Crops underseeded to legumes may also be sprayed.

ALWAYS READ DIRECTIONS ON THE LABEL AND FOLLOW THEM

Herbicides on Summerfallow

Studies have shown that when effective herbicides were used and applications were sufficient to provide nearly complete weed control, that the conservation of moisture and storage of available nitrogen equalled well cultivated fallow.

The results of these studies would seem to indicate that farmers should consider the use of at least one application of herbicides in their fallow operations. This

would cut down on the amount of times the fallow would have to be worked, and more trash cover could be left. Care should also be taken to not pulverize the soil as drifting could result.

I would advise any farmer who may be considering the use of herbicides in their fallow operations to make sure that they use enough of the right herbicide for the weeds they have to control.

Farm Drainage by Two Methods

What type of drain should be used to correct a farm drainage problem? The value of the land, and the farmer's personal preference are factors to be considered.

The two general types of drains are surface and subsurface. The former primarily removes surface water through an open ditch, the latter removes free water from the soil by means of underground channels, generally moles or tile drains.

Surface drains are most valuable for removing large quantities of surplus water, says Mr. Rapp, CDA drainage engineer. They can be useful for removing surface water where the water table is high and they can be used where underground drains are not feasible because of heavy clay soils or very flat land.

Surface drains usually have a lower initial cost than subsurface drains but have the disadvantage that they occupy land that might otherwise be farmed. A half-mile long ditch, six feet deep, takes almost two acres of land. Open ditches across cultivated fields are an ob-

stacle to machinery. Ditches are costly to maintain as they require cleaning often. In pastures, deep, open ditches are a hazard to livestock. The open ditch also carries weeds and brush and provides shelter for rodents.

Underground drains are efficient and long-lasting when correctly installed and require a minimum of maintenance. Some tile systems have operated for more than 100 years, says Mr. Rapp. Such drains do not waste land nor interfere with farming operations. Although their initial cost is relatively high, the use of improved materials such as plastics and more efficient means of handling and installation are greatly reducing this cost.

Regardless of the type of drain selected, expert advice should always be sought prior to installation. The proper depth and location of drains can be determined only by thorough investigation. Both the provincial and federal departments of agriculture have qualified personnel who can provide technical assistance on drainage problems.

A Service to Farmers

Municipal Office Ph. 424-6276

DIST. AGRICULTURIST	R. WHITBREAD
DIST. HOME ECONOMIST	M. HEMSING
SECRETARY-TREASURER	A. NOBERT.

Master Farm Awards

Up to five Alberta farm families may take a \$1000. expense paid trip to some part of Canada as a reward for being elected a Master Farm Family, Agriculture Minister Harry E. Strom, announced today.

If the elected farm family cannot take the trip, an alternative award of \$1000. will be given.

To be eligible for nomination, the family must be Canadian citizens and the farmer must be the owner-operator or lease-operator of the farm. He must have spent at least 20 consecutive years running his operation.

Nominations must be on the forms provided at dis-

trict agriculturists' offices and must be signed by three neighbors. Nominations for the award close July 15.

The purpose of the Master Farm Family awards is to honor families who have achieved notable success in farming, home-making and citizenship. The award is to provide a practical example of farm and family progress and of approved farming practices that help bring success. The award is also for the wholesomeness and dignity of rural life. Finally the award should show the rising generation an example of the higher ideals of agriculture and the opportunities of rural citizenship.

Seed drill survey

The Agricultural Service and in co-operation with the Department of Agriculture Plant Industry Division are taking a seed drill survey. The purpose of this survey is to determine what percentage of No. 1 seed is being sown in our area, and if the seed does not come up to No. 1 standards, what factors eliminate it from the grade. There are a few questions that we would ask farmers to answer as to origin of seed, what treatments the seed was given and how many acres will be seeded with a particular sample.

There will be approximately 100 samples taken throughout the municipality. These will include all types of grain being sown.

The results of this survey will be published on this page when tabulated.

Farmers who still have varieties of maturing barley should see their Pool agent or obtain permits to sell. The Canadian Wheat Board said this week that applications for second crop of all varieties of maturing barley, both 6 row and 2 row, will now be accepted.

WEDNESDAY, JUNE

Patio Lamb Riblets

Patio Lamb Riblets is a springtime treat to give your family a taste of summer.

This tasty dish could be prepared in the morning and set in the refrigerator for reheating. Served with instant rice, a crisp green salad and buttered rolls, it makes a delicious supper meal and leaves the homemaker free for an afternoon outdoors. Easy to serve out on the patio if the family prefers.

2 lbs. lamb riblets
1/2 teaspoon salt
Few grains pepper
1/2 teaspoon sweet basil
3/4 cup tomato ketchup
1/4 teaspoon curry powder
1/4 teaspoon dry mustard

3 tablespoons brown sugar
2 tablespoons vinegar
1 med. sized onion - thinly sliced.

Cut riblets in serving-size pieces; brown richly on all sides, in lightly-greased frying pan; add salt, pepper and sweet basil.

Cover and simmer for about 45 minutes or until tender; add a small amount of water if meat becomes too dry; turn meat several times. Drain excess fat.

Combine remaining ingredients to make sauce. Pour sauce over riblets; simmer, stirring frequent-

ly for 15 minutes.

Serve with about 2 cups of hot, fluffy rice to which a touch of curry powder has been added. Makes 4 servings.

First for Spring

PRINTED PATTERN

Army Cadets Inspected

VIMY - The Army Cadets' annual inspection for the year ending 1967-68 was held in the Westlock arena. Major Thompson, Commanding Officer for Affiliate Unit 154 Coy RCASC was present. Captain Mathews, District Cadet Training Officer for Alberta, accompanied by Mr. Roland Swaren, Westlock Legion President inspected the 26 cadets present, eight of which are from Vimy.

There were presentations made for best recruit, best shot, and also best dressed cadet on parade. This was

followed by demonstrations on first aid, rifle, drill lesson and dispersal point. The dismissal was followed by refreshments provided by the Westlock Ladies Auxiliary. Special mention could be made of Cadet Corps Commander Lt. Bombay, Staff Sergeant Shaver, Sergeant Landry and a very special mention for Civilian Instructor Lt. Ernewein. The Army Cadets will be in operation again next year, and will welcome new recruits who wish to join the unit.

Namoo

On Wednesday evening, May 29, a large shower was held in the Namoo community hall in honor of Miss Sharon McNeilly, daughter of Mr. and Mrs. R. McNeilly whose marriage took place on June 1st.

On Tuesday, May 28, the Namoo C.G.I.T. group wound up another successful year with its mother-daughter banquet. The guest speaker for the evening was Miss Laws who spoke on alcoholism. The group enjoyed the year under the leadership of Mrs. A. Duble and Mrs. R. Smith.

On Sunday, June 9th, a joint outdoor service for the three

congregations of Namoo, Bon Accord and Patricia will be held on the lawn of the manse at Namoo. A picnic lunch will be enjoyed after the service. Everyone is welcome to attend.

The Sturgeon Valley 4-H Dairy Club will be holding their annual achievement day on June 8 at the farm of Mr. Harold Clark. On June 8 a judging competition will begin shortly after 10 a.m. with the showing of calves to follow. Refreshments will be available. There will be a picnic lunch at noon. Everyone is asked to bring their own lunch. Everyone is welcome to attend.

Legal plans Fete Au Village

The Fete au Village committee are on the move preparing the annual festivities that will be held on July 27 and 28.

Mayor Leon St. Martin has been appointed to head the welcome committee.

Everyone is invited to enjoy the Bonanza Pancake Street Breakfast that will be held on Legal's "Jasper Ave." early Saturday morning, under the capable "chef" Frank Rivard and his crew. The gay festivities will

kick off with a gigantic parade. People are asked to send their entries to Parade Marshall Marcel Dube (Fete au Village) Box 149, Legal, Alberta.

The citizens of Legal dressed in their early French Canada costumes will be out to meet you.

Make plans to attend Legal's Fete au Village, the friendly community just 30 miles north of Edmonton and recapture a bit of the "Coureurs de Bois" spirit.

Legal Locals

Mr. and Mrs. Jos Nault, Mr. and Mrs. Walter Vande Walle, Mr. and Mrs. Leo Charrais and Mr. and Mrs. Paul Chauvet and their families travelled to St. Paul Sunday to attend Parent's Day at the seminary where their sons are boarding. Celebration of the Holy Mass started the day, followed by lunch. In the afternoon the boys challenged their fathers to a ball game. The parents then enjoyed a special program prepared by the boys. The afternoon concluded with a light lunch.

The Legal and district residents will welcome the new dial telephone system on July 7th.

Mrs. Romeo Boissonneault is a patient in the hospital.

57 Albertans

Regain Sight

The volunteer work of local community organizations in co-operation with the Canadian National Institute for the Blind has made it possible for 57 people in Alberta to regain their sight. During the past year these people received cornea transplants enabling them to see again stated Bill Owen, Field Secretary of the CNIB in Edmonton.

Mr. Owen pointed out that all persons with visual problems cannot be helped through this type of operation but the prevention program that is carried out across Canada cuts the possibility of blindness in half.

The use of a new type of machine called the Scarborough Scanner enables large groups of adults or children to be examined quickly for visual acuity, muscle balance and far sightedness.

As 1968 is the fiftieth anniversary of the CNIB the 26,000 registered blind Canadians can be assured of a high quality of service from coast to coast.

Election Forum Spruce Grove

The Spruce Grove Chamber of Commerce is sponsoring an election forum when all three candidates in Wetaskiwin Riding will present their views and answer questions: Rene Beguin, (Lib.), Harry Moore (PC), and Ed Nelson (NDP). The forum will benefit voters in the Wetaskiwin riding who reside in the north west portion of the constituency. The meeting will be held on Monday, June 17th at 8 p.m. in the Spruce Grove School auditorium.

Word about Edmonton's colorful, carefree Klondike Days goes farther afield every year.

The Edmonton Exhibition Association already has filled ticket orders from would-be cheechakos in California and New York State -- and orders for tickets are coming in with every mail.

Travel agencies, too, are climbing aboard the K-Days stagecoach. Two 40 member tours from Toronto have booked in for this year's celebrations, while an agency at Halifax has arranged to route a group travelling by chartered railway car through Edmonton as the nine-day show hits the road. The Maritimes party will be in the city July 18 and 19, the first two of 1968 Klondike Days!

All over the Map

SPENDING SPREE

A consumer spending spree is keeping the Canadian economy buoyant by offsetting the slowdown in capital spending. Consumer spending accounts for two-thirds of the country's total spending and this year's figures are bounding ahead of 1967. Fastest selling items by major retailers: tent-trailers up to \$1500. Tape recorders up to \$500, wired to supply day long music to all rooms of a house; and small tractors around \$1,000 for cutting the grass.

KNOW THESE CITIES? -- Many of the world's biggest cities are almost unknown to Americans. A list of cities with more than a million people includes Lushun-Luta in China, Ahmadabad in India, Novosibirsk in the Soviet Union, and Nagoya in Japan.

Farm Community Protection

Every farm community should have a fire fighting plan, fire fighting equipment and adequate water supply. A program for fire prevention is the first step in guarding against fire. If fire does break out, there should be an emergency call system in each community to give the alarm and summon men and equipment. A trained team of firefighters can do much to control a fire with stirrup pumps and pump cans until large pumps and more help arrive.

The ideal plan would be the organization of farm communities into a fire protection district. Adequate fire fighting equipment and trained men should be

available within the organized district.

Without such an organization, each farmer should be prepared to help by having portable equipment ready for community use when needed.

Another workable plan, Arrange through the municipal councillor to have fire fighting equipment such as stirrup pumps, pump cans, ladders, water pails and sacks kept in readiness in hamlets throughout the municipal district for use in the various communities.

Obituary

ANNETTE CHAMPAGNE

Mrs. H. (Therese) Critchby Clyde, Mrs. H. (Aline) Boissoneault Morinville and Mrs. M. (Madeline) Cravelle, St. Albert Trail are mourning the loss of their sister, Mrs. Annette Champagne of Edmonton, who passed away May 20 at the age of 43. Surviving are three daughters, eight sisters and two brothers.

MARIE MARTEL

Mrs. Alex (Maxine) Montpeller of Morinville is mourning the loss of her mother, Mrs. Marie Martel who passed away in Edmonton June 2nd at the age of 72.

** ** *

NICHOLAS HRYCHUCK

Mr. Stanley Hrychuck of Bon Accord is mourning the loss of his father, Mr. Nicholas Walter Hrychuck who passed away in Edmonton, May 19.

THERESA KRAUSKOPF

Funeral services were held at St. Jean the Baptist Church in Morinville, Wed. June 5th, for Mrs. Theresa Carolyn Krauskopf of Morinville who passed away June 1st at the age of 78. She leaves to mourn her loss her husband, August, one daughter, Mrs. L. (Marian) Kramps, Morinville; seven sons, Tony, Joseph, Clarence, Arthur and Charles, Morinville, Albert and Francis, Edmonton; one sister, 12 grandchildren and six great grandchildren.

** ** *

After a long, boring evening, the young man finally succeeded in stealing a good night kiss from his young lady companion.

"That's your reward for being a gentleman", the young girl murmured.

"Reward?" scowled the young man. "That's just workman's compensation."

Dairy Princess Competition

Miss Shirley Clark of Namaq, Alberta's 1967 Dairy Princess, who will be competing for the title of Canadian Dairy Princess at the Canadian National Exhibition in August. Her two predecessors won this competition in 1966 and 1967.

Adventure, glamour and fame can be yours if you enter and win Alberta's 1968 dairy princess competition.

You do not think it could happen to you? Well, it has already happened to two young ladies from Alberta. The 1965 provincial winner went on to take the national title which won her a free trip to Europe. While in Europe, she attended the International Food Festival in Paris and came fourth in their "The Miss World Food Competition".

Alberta's 1966 dairy princess, Janet Olsen, also won the national title and is now spear-heading a trade delegation in Spain to promote the sale of Canadian cattle in Europe.

This year's dairy princess, like former winners, will appear on radio and television and attend producer and consumer meetings as a goodwill ambassador for the dairy industry.

After reigning for 12 months, during which time she will receive experience and training in public relations, she will go to Toronto to compete for the national title at the Canadian National Exhibition.

In addition to receiving travelling expenses, all provincial finalists will be eligible to compete for provincial and national awards.

Applications for the 1968 Alberta Dairy Princess Competition are now being accepted. The contestants will be judged during Edmonton's Klondike Days, scheduled for July 20 to 24 inclusive.

The competition is open to single young ladies from 17 to 25. A pleasant personality and a basic knowledge of the dairy industry are the two most important qualifications.

Application forms and further details on the present competition can be obtained from district agri-

It is perhaps presumptuous to write about a subject which has so many specialists of its own but perhaps the hairdressers will forgive the intrusion of a medical viewpoint on some of the disorders of the hair. Let's first of all straighten out our hairy physiology.

Hair itself is dead; it is composed of the hardened remnants (Keratin) of dead cells, with a surrounding membrane and a pigment, melanin, within. Each hair is formed in a tiny follicle. Loss of hair can therefore result only from destruction of the hair follicles. The follicles are usually active but have occasional resting phases, after which the old hair-shaft is shed and a new hair begins to be produced. A normal scalp sheds 20 - 100 hairs daily. Though cutting grass may make a lawn grow faster, cutting dead hair cannot spur or in any way affect its growth rate!

Loss of hair is of course a normal phenomenon of ageing, especially in the male. Though hopes have been stirred recently by accounts of hormone treatments and grafting operations, there is no immediate prospect of a new cure. Grafts are apparently tedious to perform and of doubtful cosmetic value, especially since they continue to grow while the recession of natural hair proceeds around them.

Patches of baldness, called alopecia areata, are the commonest cause of sudden shedding of hair. Recovery in the majority of patients is complete and rapid, hastened if necessary by hormone injections every few weeks. Pregnancy and fevers are sometimes blamed

culturists, dairy plants, and A. A. Hughes, secretary of the Alberta Dairy Princess Committee, Alberta Department of Agriculture, Edmonton.

for temporary bald patches.

The commonest scalp disorder - and the commonest skin disease - is seborrheic dermatitis, scurf or dandruff. Though there is no cure, the newer suppressants, such as cetrimide and selenium sulphide, are effective. Where there are a large number of scales, a diagnosis of psoriasis has to be considered.

Fashion dictates the use of a variety of potentially dangerous substances on the hair. Permanent waving solutions, oxidizing agents for setting the hair, straighteners which contain strong alkalies, fixation agents such as formalin and bleaches like hydrogen peroxide are all capable of damaging the hair so that it breaks, frizzles or becomes dry and lustreless. Dermatitis can be caused by odd reactions to hair dyes. Fortunately techniques seem to be improving all the time and the impression is that the "Cosmetic casualties" are becoming rarer; nevertheless, it seems wiser to trust the trained hairdresser, using well-established safety routines, than to do-it-yourself.

Trade Mission Sells Medical Equipment

More than \$4 million in new export sales to Europe are expected over the next five years as a result of a Canadian medical equipment trade mission that recently returned from a tour of

Britain, France, Italy and West Germany.

The mission was sponsored by the federal department of trade and commerce and represented the medical, dental and hospital equipment industries. They described Canada's design and manufacturing capabilities in these fields at meetings with educators and hospital administrators.

An awareness of Canada as a source of technologically-advanced instrumentation and apparatus is now developing. Because of the unique, highly specialized nature of medical research, no country is self-sufficient and all require imports of particular items from specialty producers. Canadian manufacturers are in a good position to increase world sales on the basis of Canadian experience and product development.

Orders for equipment valued at over \$50,000 were obtained during the tour. Direct follow-up over the next 18 months should produce sales of up to \$500,000 according to the report of the members. By 1973 sales should exceed \$4 million, including more than \$2 million by one member company alone.

CANADIAN PIPE FOR USSR?

Mannix Co. Calgary, one of Canada's largest pipeline construction firms, is negotiating with Russian interests on a multimillion-dollar oil pipeline construction contract. One report is that the project involves what would be the largest oil pipeline undertaking anywhere so far - a 4,070 mile 42 in. diameter line running from Russia's U Tyumen oilfield, 500 miles north of Novosibirsk, to the Pacific coast near Vladivostok where the Russians have built a new port that can accommodate large oil tankers. Major market for this new oil outlet is expected to be Japan. The Russians, The Financial Post says, approached Mannix because of the company's extensive experience in big-inch pipeline construction, particularly in permafrost conditions.

New Bug Control Method

Science is making this bug season at home or on vacation more livable with the introduction of an entirely new concept in insect control: a strip of plastic that kills flies, mosquitoes, gnats and other small flying pests anywhere in a room without touching them.

The strip that eliminates the bother of repeated spraying and swatting is called Vapona, insecticide NO-PEST Strip by Shell Canada Limited, who introduced it initially for farm use - particularly in milk and feed rooms where fly control is critical.

The farm tested product, now adapted for home use, is packaged with a decorative gold-foil cage that can be hung or stood on its base anywhere in an enclosed area. Impregnated with a modern insecticide, a single ten-inch

strip meters out minute quantities of vapors into the air at a rate that controls the pests effectively for up to three months in a 10 x 12 x 8 foot room.

While handy at home it also can take the "rough" out of roughing it in vacation cabins, house trailers, beach houses, and other enclosures away from home.

The great jazz musician Duke Ellington was offered a scholarship in art as a young man, but turned it down to make music his career.

Crackdown on Speculators

The federal government is preparing to do battle with land speculators in urban areas, Clive Baxter reports in The Financial Post. Officials now have a two-pronged program under study and development. One scheme would have Central Mortgage and Housing Corp. work with provincial authorities to buy up large areas of land for resale to developers or individual home owners at no profit. The other, much sharper in intent, would have Ottawa introduce some form of heavy direct tax on all land transactions other than those between original owners and the ultimate developers. "It is when a piece of land changed three or four times in quick succession that you see prices getting out of hand," Finance Minister Edgar Benson told the Financial Post.

Candidates Guests On TV Show

Sunday afternoon 'Face the Newsmen' programs on CFRN-TV will do four special shows in June with federal election candidates as their guests. On June 2 at 2:30 Marcel Lambert (PC) Tevie Miller (Lib.) and Ken Kerr (NDP) were interviewed for Edmonton West. Edmonton East candidates

will appear June 9th: P. Sewchuk (Lib.) Bill Skoreyko (PC) and Roy Janiha (NDP). Strathcona men are scheduled June 16: L. Radcliffe (NDP), Hu Harries (Lib.) and Terry Nugent (PC). On June 23rd Edmonton Center candidates will appear: Dr. Norman Dolman (NDP), Steve Paproski (PC) and Don Gray (Lib.).

Charolais Sale

The Hunt Family of Endiang, Alberta, with their new Charolais animal, Miss Sammy, purchased at the Stettler Sale.

The seventh annual breeding stock sale of the Alberta Charolais Association held at Stettler, Alberta, April 20th was well above last year's sale.

The highlight was without a doubt the selling of a daughter of the famous FWT Bar (Sam) 951 consigned by San Dan Charolais Farms owned by Don and Sandra Pochylko, Erskine, Alberta. Miss San Dan Sammy, a 15/16 three year old presented the Pochylko's with twin heifer calves prior to the sale.

Starting at \$2,000 the bid-

ding went like wildfire to \$5,000 where it stopped for a while, then started up and swiftly went to \$6,100, when the auctioneer named the "Hunts" from Endiang, Alberta as the new owner. By the "Hunt Family" we mean just that. The young girls in their teens did the bidding. The reason for the slowdown at \$5,000 we later found, was that this was the limit of the 4-H money which the children had saved over the years. Father, Bill came to the rescue and gave the go ahead for further bidding. During May the Rudiger

ELECTION FORUMS

The Farmers Union will again organize election forums to give rural people the opportunity of meeting and hearing the views of their local candidates in the federal election. The forums are conducted on a completely non-partial basis with each party given equal time. Candidates speak in order determined by lot, followed by a total question period of 30 minutes. Questions must be written and addressed to specified candidates. Each candidate is allowed one question at a time in turn, until the 30 minutes have been used. Then each gets a five minute period for final statement. Dates have already been set for three such forums in Southern Alberta.

1/2 French purebred bulls at Saskatoon Test Station, outgained Herefords, Angus, Shorthorn and Galloway gained the top group of the other breeds by 23% and were 34% above the average of the other breeds. Nine out of ten of the Charolais bulls had an adjusted 365 day weight of over 1,000 lbs., while only 10 of the 131 bulls of the other breeds attained this weight.

Heart Strain

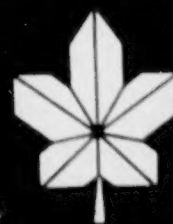

The heart muscle and the blood vessels of a young man or woman can respond to a tremendous range of demand. However, because a few young people have damage to their hearts from congenital abnormalities or rheumatic heart disease, athletes are examined prior to extremely strenuous exercise.

The Canadian Medical Association reports that young people, very rarely, suffer from heart strain. It seems that the heart muscles show some deterioration after age 30, leaving it with less reserve. What reserve is left seems to benefit from constant training. Thus the man of 65 who decides to shovel the snow from his driveway, or push a car, or run quickly for a bus, is probably unwise. There is additional danger to the older man if he has had a recent respiratory infection which causes added strain.

The lesson to be learned about heart strain is that the older person should not subject his heart to sudden and unusual strain, like wrestling or shovelling snow. For those over 40 the CMA recommends gentler exercise such as walking, playing golf, skating or skiing.
